"How to Lay out a croissant," 1990
El Croquis 30+45/50

Morning Studios: 9 am to 12:10 pm
Location: Hayes Annex A
Afternoon Studios: 1:30 pm - 4:40 pm
Location: Parker Hall

This is the first course in the majors-only undergraduate architectural design studio sequence. It is a participatory, experiential design laboratory which provides a working forum for developing conceptual thinking and critical awareness in design. Studio projects encompass a range of assignments which will introduce students to the process of exploring space and form in both two and three dimensions.
